Microsoft 365

MICROSOFT 365 APPS

In addition to Premier Support from Lenovo Services you'll have the power and productivity of Microsoft 365 Apps. There is the world leading Word, PowerPoint, Excel and Outlook plus the addition of Publisher and Access - everything your team needs, wherever they are.

Bring out your best writing, collaborate with anyone, anywhere, and work the way you want with Microsoft Word.

Take your presentations to the next level, co-author presentations wherever you are, and present with confidence using Microsoft PowerPoint.

An easy-to-use tool for creating business applications, from templates or from scratch. It can help you create appealing and highly functional applications - fast.

View, edit, or create spreadsheets from anywhere, collaborate on workbooks in real time, and get a better picture of your data with Microsoft Excel.

Stay connected and productive with a clear, unified view of your email, calendar, contacts, and files.

Precisely layout and style text, pictures, borders, calendars, and more. Everything you add stays exactly the way you've designed it, in print, online, or email.

MICROSOFT 365 SERVICES

With the world-leading Microsoft 365 Apps you'll also have Microsoft 365 Services, which gives your team some of the best collaboration Apps and file sharing services available. If you need to get everyone together or move files seamlessly, these services are second to none.

Collaborate on critical documents and have a focused inbox that prioritizes important messages and adapts to your work style, to get more done-faster.

Bring people, content, and applications together for seamless collaboration across your organization.

Test and deploy enterprise apps, create custom mobile experiences and gain insights from your data.

The intelligent files app for Microsoft 365 connecting you to all your files so you can share and work together from anywhere, while protecting your work.

Invite everyone you work with to chat, meet, call, and collaborate all in one place, no matter where you are.

Simplify modern workplace management and create a productive environment for your team, so they can work on the devices and apps they choose, while protecting data.

... AND WITH ALL MICROSOFT APPS AND SERVICES YOU'LL RECEIVE
